March 29-31, 2017

Tan-Tar-A Resort • Osage Beach, Missouri

2017 MO/KS PRIMA CONFERENCE

WEDNESDAY, MARCH 29

- 11:30 a.m. **Golf outing – the Oaks Course**
(Shotgun start at 12:30 p.m.; meet at the clubhouse at 11:30 a.m.)
- 3:00 p.m. **Registration**
- 6:30 p.m. **Opening reception and dinner**

THURSDAY, MARCH 30

- 7:30 a.m. **Breakfast**
- 8:20 a.m. **Opening remarks**
Missouri and Kansas presidents: Cheryl Tinsley and Sid Cumberland
- 8:30 a.m. **Building Value in Risk Management: Top Down and Bottom Up**
Keynote speaker: Dean Coughenour, City of Flagstaff, Arizona
This session will explore how to build value and culture in risk management and safety throughout our entities. Building effective working relationships with other departments will produce effective and self-sustaining results.
- 10:15 a.m. **Break with sponsors**
- 10:45 a.m. **A) Managing Injury Risk: Value-Added Practical Considerations**
Speakers: Leslie Borden and Mary Peters, ARC Physical Therapy
There is much discussion about injury-management programs, but how does one go about identifying risk factors at work? How can this knowledge help in determining causation? What are the symptoms of unmitigated risks, and what is the value of prevention? This presentation will provide a practical guide and simple solutions to address workplace injury hazards.
- B) Safety in the Public Workplace**
Speakers: Roger Dickey, Kansas Department of Labor, and Sid Cumberland, Blue Valley School District
This session will walk you through a typical safety audit of a public sector workplace. See real-world examples of common safety issues with recommendations for avoiding and correcting these problems. Issues range from the misuse of extension cords to the proper adjustment of machine guarding (and everything in between).
- 12:00 p.m. **Lunch**
- 1:15 p.m. **A) Claim Investigation and Preservation**
Speakers: Sarah Perry, City of Columbia, Missouri, and Doug Kennedy, Berkley Risk
This presentation will identify the components of a claim investigation. Attendees will learn to identify, preserve and interpret relevant evidence to assist their attorneys in preparing a good defense.
- B) Demystifying Subrogation**
Speaker: Ross Bridges, Vessell Bridges Murphy Law Offices
Issues often arise when pursuing subrogation reimbursement for medical and indemnity payments on workers' compensation matters. This session will explore what happens when no assistance is available from the injured employee or the attorney as well

as reimbursement across state lines. Third-party negligence and medical and legal malpractice will also be covered.

2:15 p.m. **Break – Last chance with sponsors**

2:45 p.m. **Sponsor door prize presentations**

3:00 p.m. **A) Fleet Telematics and the Data Trail (Panel)**

Moderator: Donna Capria, WaterOne; Panel: Eric Hallerud, City of Kansas City, Missouri, and Darren Beard, Lockton Companies

This panel session will discuss the use of vehicle telematics systems and other in-cab safety technology, their benefits, the challenges associated with this technology, and potential consequences for failing to address unsafe behaviors.

B) Utilizing Structured Settlements to Resolve Claims

Speaker: Richard Spiers, Genesis Management

When interest rates were higher, structured settlements were widely utilized to resolve claims in a way beneficial to all parties. With lower interest rates, claimants and their attorneys have become less willing to agree to a structure proposal. This session will discuss why an opening structure offer might be a good way to obtain the attention of the claimants.

4:00 p.m. **Dinner on your own**

7:30 p.m. **Mingle mixer**

FRIDAY, MARCH 31

7:30 a.m. **Breakfast buffet**

8:30 a.m. **Leadership and Motivation**

Speaker: Dean Coughenour, City of Flagstaff, Arizona

What motivates you to lead? How do you inspire others to perform their best? What is the essence of leadership? This presentation will utilize extensive video clips to provoke thought, and the discussion will leave you with inspirational ideas of how to lead.

9:30 a.m. **Break**

10:00 a.m. **Pharmaceutical Trends that Are Driving You Crazy**

Speakers: Linda Van Dillen, CompAlliance, and Matthew Yehling, Midwest Employers Casualty Company

This session is designed to increase your understanding of new trends in the delivery of specialty drugs, compounding, generics, opioids and marijuana. Attendees will be provided with examples of effective strategies to manage these trends.

11:00 a.m. **Saving Lives with the Use of Narcan (Panel)**

Moderator: Richard Spiers, Genesis Management; Panel: Sid Cumberland, Blue Valley School District, and Patrick Bonnot, MIRMA

Police are often the first on an emergency scene. With the recent surge in the use of heroin and other opiates, many officers are now carrying naloxone hydrochloride (Narcan) to help reduce the number of overdose deaths. There hasn't yet been a surge in claims regarding the use of Narcan, but the increased usage is falling under greater scrutiny. This session is designed to provide information on how opiates affect the body and details on the best way to use Narcan.

12:00 p.m. **Door prize drawing**

12:30 p.m. **MoPRIMA chapter meeting**

SPECIAL THANKS TO OUR 2017 SPONSORS

The following is the sponsor list as of Jan. 18, 2017. A complete list will be included with the information received at the conference. If your organization or company would like to be a conference sponsor, please contact **David Manthe** at david.manthe@kcmo.org or **Sid Cumberland** at scumberland@bluevalleyK12.org.
